YOU REALLY ARE A BRAINLESS IDIOT...

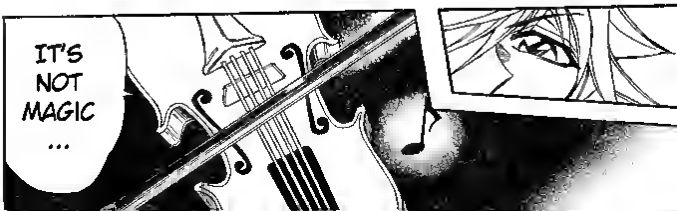
CHANCE
IT WAS CHANCE, YOU KNOW

DESTINY
IS A PAIN ...

THAT MAGIC FROM BEFORE...! IT WAS AMAZING!!
THA, THAT'S RIGHT... YOU'RE ALSO MATRICULATING, AREN'T YOU!



IT'S NOT MAGIC ...

IT'S CALLED MAGICAL MUSIC!
IF YOU PLAY A MELODY ON A MAGICAL INSTRUMENT... AND HAVE MAGICAL BLOOD OR AN INNATE MAGICAL ABILITY
YOU CAN CONTROL THE FEELINGS INSERTED ...
IN THAT MELODY
THE COMPOSERS OF SUCH MELODIES HAVE PUT...
MANY THOUGHTS AND FEELINGS ...
IN THEIR CREATION ...

THE HIGHEST LEVEL OF MAGICAL MUSICIANS CAN CREAT SHAPE OUT OF RAW POWER USING A BEAUTIFUL PERFORMANCE ...
My uncle for example by playing Stravinsky's "Firebird"
...can make a Phoenix take off...
PHOENIXES?
VALKYRIES?
And when his wife plays Richard Wagner's "Ride of the Valkyries"...
9 Valkyries come flying about...

AMAZING, ISN'T IT... YOUR LINEAGE !!

この物語は……

その昔、この笛の音の下を初めに踏めたハンドラの街があった。だが、その笛は割られてしまい、笛の中に住む者が消え、人間は街中に支配されてしまった。それを不憫がらこの笛を救ったのが、勇者ハーメルと仲間達である。——あれから幾月は過ぎ、偉大なる勇者の子らが、偶然なる出会いを重ね、新たな笛の音を奏でようとしていた。

TRANSLATION NOTES:

- A ドタール dotar (also known as dutar or doutar) is according to wikipedia "a traditional long-necked two-stringed lute found in Central Asia. Its name comes from the Persian word for "two strings" dotar (do "two" tar "string")".
- Gospel's name is still uncertain the original katakana actually read ゴスペル "Gosuberu" but most japanese pages write it as ゴスペル "Gosuperu" which can only mean Gospel
- Count Ridge is said to belong to a prestigious カート "kaato" family But a cart family sounds lame so I took some liberties and translated it as merchant family His name also doesn't seem to have any musical meaning that I know of
- 梵鐘=鈴 Bonshou-Rei translates as "Temple Bell Bell"
- 聖十字架騎士団 = shou juujika kishidan = Knight Monks of the Cross. The furigana, however, reads "kuu-crusaders" so I picked it
